INDEPENDENT AUDITORS' REPORT

To the Members of The John Howard Society of Canada

Report on the Financial Statements

We have audited the accompanying financial statements of The John Howard Society of Canada, which comprise the statement of financial position as at March 31, 2015 and the statements of revenue and expenditures and fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

In common with many charitable organizations, The John Howard Society of Canada derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of The John Howard Society of Canada and we were not able to determine whether any adjustments might be necessary to donations revenue, excess of revenue over expenditure, assets and fund balances.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, these financial statements present fairly, in all material respects, the financial position of The John Howard Society of Canada as at March 31, 2015, and its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

1. NATURE OF OPERATIONS

The John Howard Society of Canada is incorporated in Canada as a not-for-profit corporation without share capital and is registered with the Government of Canada as a charitable organization. The corporation is an organization of provincial and territorial societies comprised of, and governed by, people whose goal is to understand and respond to problems of crime and the criminal justice system. During the year the Society filed Articles of Continuance under the new Canada Not-for-profit Corporations Act.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Outlined below are those accounting policies adopted by the organization considered to be particularly significant:

(a) Basis of accounting

These financial statements are prepared in accordance with Canadian accounting standards for notfor- profit organizations.

(b) Accounting Estimates

The preparation of financial statements in conformity with Canadian accounting standards for notfor-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant items subject to such estimates and assumptions include valuation of accounts receivable, and the estimated useful life of tangible capital assets. Actual results could differ from those estimates.

(c) Donated Services

The work of the corporation is dependent on the voluntary service of many individuals. Since these services are not normally purchased by the organization and because of the difficulty of determining their fair market value, donated services are not recognized in these financial statements.

(d) Fund Accounting

The accompanying financial statements include the activities of the organization for which the Board of Directors is legally accountable. In order to properly reflect its activities, the organization maintains its accounts in accordance with the principles of fund accounting in order that limitations and restrictions placed on the use of available resources are observed. Under fund accounting, resources for various purposes are classified for accounting and reporting purposes into funds in accordance with activities or objective specified.

The Operating Fund accounts for revenue and expenditures related to program delivery and administrative activities.

The Senator Hastings Fund was established by the Board of Directors as a contingency fund.

2. ACCOUNTING POLICIES (Cont'd)

(e) Tangible Capital Assets

Tangible capital assets are stated at cost. Gains and losses on the sale of tangible capital assets are charged to operations in the year of disposal. Amortization of tangible capital assets, which is based on estimated useful life, is calculated on the following bases and at the rates set out below:

Asset	Basis	Rate
Computer equipment	Straight-line	3 years
Computer software	Straight-line	2 years
Building	Straight-line	25 years
Furniture and equipment	Straight-line	5 years

(f) Short-Term Investments

Investments are classified as held-to-maturity, and are initially recorded at their acquisition cost. At the balance sheet date the investments are adjusted to fair market value, and the corresponding income is recorded in the statement of revenue and expenditures.

(g) Cash and Equivalents

Cash and equivalents consist of cash on deposit and bank term deposits in money market instruments with maturity dates of less than three months from the date they are acquired.

3. SHORT-TERM INVESTMENTS

Short-term investments consist of guaranteed investment certificates, bear interest at rates ranging from 1.75% to 2.05% and have varying maturity dates but may be liquidated in the short-term.

4. TANGIBLE CAPITAL ASSETS

	20	015	20	014
	Cost \$	Accumulated amortization \$	Cost \$	Accumulated amortization \$
Computer equipment Computer software Building Furniture and equipment	26,265 5,908 114,795 4,646	26,265 5,908 61,989 4,646	26,265 5,908 114,795 4,646	26,265 5,908 57,397 4,646
	151,614	98,808	151,614	94,216
Cost less accumulated amortization	\$	52,806	\$	57,398

5. DEFERRED REVENUE

The details of revenue received prior to the year end, that relate to activities in the subsequent fiscal year are as follows:

	2015 \$	2014 \$
National Staff Conference		5,200
Grant allocations withheld and deferred for use by Society	52,431	49,282
Funds withheld and deferred to advance the 5 Point Plan	131,871	· · · · · ·
TOTAL	184,302	54,482

6. MEMBER ASSESSMENTS

Details of the member assessments are as follows:

	2015	2014
	\$	\$
Alberta	100	100
British Columbia	100	100

Saskatchewan	19,336	19,336
TOTAL	337,871	337,871

8. NET CHANGE IN NON-CASH WORKING CAPITAL BALANCES RELATED TO OPERATIONS

Cash provided from (used in) non-cash working capital is compiled as follows:

	2015 \$	2014 \$
	U	Ψ
(INCREASE) DECREASE IN CURRENT ASSETS		
Short-term investments	(157,969)	(3,794
Accounts receivable	(32,582)	12,757
Prepaid expenses		(7
	(190,551)	8,956
INCREASE (DECREASE) IN CURRENT LIABILITIES		
Accounts payable and accrued liabilities	7,575	(618
Deferred revenue	129,820	13,368
	137,395	12,750
NET CHANGE IN NON-CASH WORKING CAPITAL		
	(52 156)	21.704
BALANCES RELATED TO OPERATIONS	(53,156)	21,706

9. FINANCIAL INSTRUMENTS

The organization has a comprehensive risk management framework to monitor, evaluate, and manage the principle risks assumed with financial instruments. The risks that arise from transacting financial instruments are as follows:

(a) Market Risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of market factors. Market factors include three types of risk, currency risk, interest rate risk, and equity risk.

(b) Liquidity Risk:

Liquidity risk is the risk that the corporation will not be able to meet all cash outflow obligations as they come due. The corporation's exposure to liquidity risk is dependent on the receipt of funds from its operations.

(c) Credit Risk:

Credit risk is the risk of financial loss to the organization if a debtor fails to make payments of interest and principal when due.

The organization is exposed to credit risk in the event of non-performance by clients in connection with its accounts receivable. The organization does not obtain collateral or other security to support the accounts receivable subject to credit risk but mitigates this risk by dealing only with what management believes to be financially sound counterparties and, accordingly, does not anticipate significant loss for non-performance.

10. PENSION PLAN

The organization is a participant in both a defined benefit and a defined contribution pension plan. The organization contributes, on behalf of each eligible employee, an amount of 12% of earnings. During the year the organization expensed \$13,690 of payments under these pension plan arrangements.

11. CAPITAL DISCLOSURE

The organization's objectives with respect to capital management are to maintain a minimum capital base that allows the organization to continue with and execute its overall purpose as outlined in the fund balances accounting policy in Note 2. The organization's Board of Directors performs periodic reviews of the organization's capital needs to ensure they remain consistent with the risk tolerance that is acceptable to the organization.
